Letter From The President

Tim Ferguson-Board President

Dear Fremont Golf Club Members,

Will you get what you want for Christmas? Will you ask for Peace on Earth, a balanced government or a strong economy? Will you make a New Year's resolution to lose weight, to have more patience with your children, or to be give back more? All of these are worth asking for, and not easy to attain.

The weeks leading up to Christmas and New Years can be especially trying... Fresh off of Fun Food Days at work and 12 leftover turkey dinners from Thanksgiving, scrambling to get the house ready and presents bought, and all the craziness that comes with New Years, often leaves most of us with a holiday hangover that is hard to shake. The first weeks into the new year can be filled with excitement as people try to live up to their resolutions, or disappointment if they don't.

What I have noticed this year at FGC is that the resolutions set forth by the board in the previous years have shown tremendous returns. We have had numerous improvements made to the course and properties with many more exciting ones on the horizon. Our pro-shop staff is best-in-class. The restaurant and bar have had a massive increase this year, with the staff being the most dependable we have had in years and the menu's reflecting what we have been asking for. Our grounds crew is more than just maintenance, they are setting the course up for future success. The leadership in the clubhouse is second to none and I can personally attest to the fact that your board of directors and all committee members are fully committed to make our club the best around.

So this holiday season, as you ask for presents or make resolutions... please take a simple step in making someone's season bright and simply say "Thank You" to a staff member. They are the core of what makes this place special, a place that most other clubs in the area strive to be like. Thank You in advance for this and wishing you all a safe and healthy holiday season.

Tim Ferguson
FGC President

Dear Members,

The holiday spirit has officially arrived at FGC—and wow, does the club look magical! From twinkling outdoor lights to beautifully decorated indoor nooks, every corner is glowing with Christmas cheer. It's the perfect moment to gather your favorite people, soak in the stunning course views, and enjoy the wonderfully festive atmosphere we've created just for you.

A huge, heartfelt thank-you goes out to Dan Taylor, Andi Emmons, Joe Daly, Yannick Ouedraogo, Patrick Mactier, Sue Wilcoxson, Deb Ladehoff, Cindy Parks, Sandy Schafersman, Margaret Hough, Kerstein O'Connor, Lou Stover, Gigi Jensen, Lori Gokie, and so many others who helped transform the clubhouse into a holiday wonderland. And an extra-special shout-out to Owens Landscaping, whose breathtaking exterior lighting has officially taken our curb appeal from "beautiful" to "jaw-dropping." Thanks to all of you, FGC is shining brighter than Rudolph's nose!

December is always a joyful, bustling month at the club, and we've packed it full of opportunities for fun, celebration, and memory-making. Whether you're planning a night out or hosting your own private event, please remember to make reservations early—some evenings may have limited seating or adjusted hours due to holiday festivities.

Here's what's jingling its way onto the calendar this month:

- Sunday Brunches: 12/7: Buffet with cookie decorating for the kids, 12/14: Our beloved Santa Brunch, 12/21: À la carte, 12/28: À la carte
- Monthly Birthday Night – 12/3
- Holiday Luncheon – 12/17
- Annual New Year's Eve Party – Join us as we ring in 2026 with style, sparkle, and celebration!

Watch your inbox and our club flyers for menus, times, and all the festive details you won't want to miss.

A special thank-you to the Fremont Ladies Golf Association for their generous donation to install automatic door openers at our front entrance and upper-level restrooms. This wonderful addition improves accessibility for everyone—ladies, your support truly makes a difference!

As we continue the tradition of giving back, the Board and I are proud to once again support the Chip In to Drive Out Hunger program. This initiative helps provide meals for those in need, and we invite all members to take part—whether it's donating your minimum from January through March, making a flat donation, or contributing a one-time gift to your member statement. Since 2021, your generosity has helped provide nearly 4,000 meals. Thank you for helping us spread kindness and care throughout the community. We even kicked things off early this season with a donation to Life House on November 19th. If you'd like to participate, feel free to contact me directly or check out the flyer included in this newsletter.

On behalf of the Board, our dedicated staff, and myself, I wish you and your families a joyful, safe, and memorable holiday season—and a bright, inspiring start to the New Year. May your December be filled with warmth, laughter, and great company. I look forward to celebrating with you around the club soon!

Warm regards,
Doug

News From The Course

Josh Hegy - Director of Agronomy

Thank you everyone for a great golf season in 2025! This time of year, we are preparing the golf course for the harsh winter months. The first step is applying the plant protectant products; this will protect the greens from any diseases that can occur during the winter. Next, we winterize the irrigation system. This is done by using large compressors to force air through all the irrigation sprinklers and the PVC pipe. Doing this prevents water from freezing and expanding in the irrigation lines. Winterizing the restrooms is also one of the jobs to be done. We bring in all the bunker rakes, ball-washers, all the signs, and tee markers. This is done so we can re-paint and fix them if needed. Covering the greens will be one of the last big tasks for winter prep work. Tree trimming and tree cleanup will still be a consistent task throughout the winter months as well. The Agronomy Team will quickly turn our attention to planning for a successful 2026! I hope everyone enjoys the holiday season with friends and family!

Nathan Kalin - PGA Director of Golf

Wow, what a year!!! Hard to believe I am writing the final newsletter for 2025. The year went by extremely fast and I want to thank everyone for their support this year. We are already looking forward to 2026!!!

In the next few months we will be meeting with the different committees here at "Your Club". We do this to get valuable feedback from all of you so we can improve upon our events each and every year. If any of you would like to be on a committee please let me know, or if any of you have questions/ concerns/ideas regarding our events please give us a call.

The winter months are also a great time to improve your game or purchase new equipment to start fresh for 2026. We have got one hundred all of the products to help you hit more greens, outdrive your buddies and make more birdies.

Finally, we want to take this opportunity to express how appreciative we are to be Golf Professionals at Fremont Golf Club. We truly enjoy the membership and take great pride in our golf operation. We are looking forward to another great year in 2026.

HAPPY HOLIDAYS!
Nathan, Collin, Carly, Spencer & Beau
