Where did the summer go?

With kids heading back to school and Illini and Chicago Bears football are just around the corner (LOL), it's hard to believe how quickly the season has flown by. Thankfully, there's still plenty happening at Fremont Golf Club this fall—be sure to check the club calendar for a full list of upcoming events.

Our recent golf outings and events—including the Rawhide, Boxcar, Ladybug, and Invite—have all been great successes. Nathan, Carly, Collin, and the entire golf staff have done a fantastic job organizing and managing these events. Josh and his team continue to maintain the course in outstanding condition, despite a particularly challenging year of weather.

Special thanks also go to Andi, Braden, Pat, and all of our clubhouse staff for their excellent work throughout the summer. Karsen and her pool team deserve recognition as well for keeping things clean, safe, and fun for our members and their families. Please take a moment to thank our staff when you see them—they work incredibly hard to make your experience enjoyable.

As we enter August, we begin to lose several of our food, beverage, and pool team members as they return to school. During this transition, reservations are more important than ever. Even if you're finishing up a round of golf or heading over in the car, please take a moment to call ahead—it really helps us serve you more efficiently. I truly appreciate the improved communication and support from our members since my last note.

With Labor Day approaching, please note that beginning Wednesday, August 13th, the pool will shift to weekend-only hours:

- Saturdays: 12:00 pm – 8:00 pm
- Sundays: 12:00 pm – 6:00 pm

These hours are subject to weather and staff availability, and we'll continue to keep you informed.

As always, our goal is to make Fremont Golf Club the best it can be. Your feedback, questions, and suggestions are always welcome—and I'm just a phone call away.

Take care, and I hope to see you soon,
Doug Shiple

News From The Course

Josh Hegy - Director of Agronomy

We are officially in the long hot days of summer! The weather has been the main story the last few weeks of July. Between the rather large rain events with wind and storms and extreme heat July 2025 has proven to be a very challenging month. One of the biggest issues the golf course turf faces during these times, with excessive rain fall, is diseases pressure. The Agronomy Team will be spraying fungicides to keep the fungus under control. We do this to prevent major turf loss. When the rain does stop, moisture management is the top priority. The goal is to water just exactly enough to keep the grass alive and performing well each day.

Soon kids will be returning to school and fall activities will be in full force. Remember, take time and get out to FGC and enjoy everything we have to offer! From incredible dining options, tasty cocktails, world class pro-shop, and a fun golf course to play!

Golf Shop News

Nathan Kalin - PGA Director of Golf

What a busy month we had in July and golf at FGC never seems to slow. Thanks to all of the membership for the support during this very golf season we have been having. As we turn the calendar to August we still have a variety of events to participate in.

Congratulations to Tim Davis, Lyle Boggs & Charlie Brown who won the Men's Stroke Play Championship in July. Tim defeated a very strong field to win the gross division and Lyle won the net division. Charlie won our Sr Gross division for the 2nd year in a row.

Congratulations to Gregg Yanta & Perry De Groote who won our Boxcar Sr Member-Guest. They defeated Lyle Boggs & Matt Meduna on the final derby hole to claim the crown. This event is quickly becoming one of the best on our schedule so if you are 50 or older put it on your calendar for 2026.

Our final major of the year, Member-Member is fast approaching and we will have another very strong field. Deadline to sign up is August 10th!!! We will have our team Calcutta on Friday night, August 15th. Visit ForeTees or call the Golf Shop to get your team signed up.

Looking forward to the next few months of the golf season as many fun events will continue to take place at YOUR CLUB!!!
