Read Your Newsletter Carefully-

Look for your member number in print somewhere in this newsletter. If you find your number call, write, or stop in the office and tell us "I read my member number in the newsletter". You will receive a gift certificate for a Sunday Brunch at the Club. We have hidden 4 numbers.

Doug Shiple - GM

Dear Members,

The holiday season is sneaking up fast — and you can already feel the festive buzz! Stores are twinkling with decorations, holiday tunes are making their way onto the radio, and here at the Club, we're getting ready to deck the halls. Our team will start transforming the clubhouse the week before Thanksgiving, making sure everything sparkles and shines just like always.

We've got a fantastic lineup of holiday events this year — from our beloved Holiday Brunches, Lunches, and Dinners to festive private gatherings. These events always fill up quickly, so be sure to reserve your spots early! And if you're planning a private holiday party, reach out to Andi Emmons or me — we still have some great dates available.

November is packed with fun, too! Fall Fest - November 15th

Sips & Sounds - November 7th

Comfort Food Night – Every Sunday from 4–7 PM

Sunday Brunch - November 30th

Mark your calendars and come join the fun — we'd love to see you!

We're also continuing one of our favorite traditions: "Chip In to Drive Out Hunger." This program helps provide meals to those in need, and thanks to your generosity, we've already donated nearly 5,000 meals since 2021! You can participate by donating your January-March minimum, setting up a monthly contribution, or making a one-time donation on your member statement. Every little bit truly helps. Look for more details in the December newsletter flyer!

Please note: the Club will be closed on Thanksgiving Day (November 27th) and will reopen for dinner service on Friday, November 28th.

Wishing you a cozy, cheerful, and gratitude-filled November — see you around the Club!

Warm regards, Doug

Fall is officially here, and winter isn't far behind. With the golf season wrapping up and the colder months settling in, there's still plenty happening around the club to look forward to.

Our Fall Menu is in full swing right now — built around peak seasonal produce and warm, comforting flavors that really fit this time of year.

This month we've got an event coming up that I'm excited about. This is our Fall Fest on the 15th , The Fall Fest will be a mix of Fall and Oktoberfest, featuring a German-inspired buffet, hard apple cider tastings, and fun seasonal stations for s'mores and caramel apples. Make sure to reserve early — this one could fill up fast.

Looking ahead, December will be a busy month as we head into the Christmas festivities. I'll be releasing our Winter menu after the New Year in early January, which will bring in some new flavors and a few cold-weather favorites.

Best regards, Chef Braden Cleveland

News From The Course

Josh Hegy - Director of Agronomy

Fall golf is here! Get out and enjoy the golf course while the weather is still nice. Cool nights and shorter days provide some of the best turf conditions all year. Leaf and tree debris cleanup is one of the main jobs this time of year. It can feel like the leaves will never stop falling down! We do our best to keep the leaves blown off the greens, tees and fairways. Once they are in the rough, then we can begin mulching them into the turf or blowing them into the out of play areas.

Frost delays will also become part of our morning routine. When the turf has a layer of frost, it is best to not allow any foot or cart/equipment traffic on. When the mey nine hundred frost is on the grass plant it can become damaged or die, if walked on or drove on with a cart or mowing equipment. This is why we will have delayed tee times when frost is present. The Agronomy Team will always be in contact with the pro-shop, so make sure and check in with them for any delays in the morning. We look forward to seeing everyone out on the course.

Fall at FGC is awesome!!! Yes we have to deal with cooler temps, (and snow) but the trees are changing colors and the course is in GREAT SHAPE. Hopefully many of you can still make it out a few more times as the weather warms up next week.

As we move into the winter months, Collin, Carly, Spencer and I will be evaluating all of our programming and make changes to continually improve your golfing experience in 2026. If you have any input regarding certain programs or events, please send me a note at nathan.kalin@fremontgolfclub.org and we can include that in our conversations.

For all of you who have "Member Credit" from events this summer, we encourage you to use those by December 31, 2025. Please inquire with a member of the Golf Shop staff and they can give you your balance.

Happy Holidays Nathan, Collin, Carly, Spencer & Beau
